ABOUT CLIVA — A BRAND BUILT ON TRUST

Cliva is a rapidly growing consumer goods brand dedicated to delivering superior-quality products while cultivating robust, long-term partnerships with distributors, Super Stockists, and commercial clients across India.

Our Corporate Vision

To establish Cliva as an indispensable, highly trusted household consumer brand with an expansive distribution footprint across pan-India retail and institutional channels.

Our Corporate Mission

To continuously deliver certified quality products, build sustainable margin structures for channel partners, and drive supply chain efficiency through technological integration.

Our multi-category product ecosystem combines meticulous quality control, market-aligned pricing strategies, eye-catching packaging design, and a dependable distribution setup to generate maximum value for end consumers and trade partners alike.

Our Core Operational Pillars

01
Quality & Purity
Multi-stage filtration and rigid laboratory testing before packaging.

02
Partner Growth
Competitive trade margins, credit support, and territorial exclusivity.

03
Supply Chain
Zero-delay dispatch schedule backed by automated inventory systems.
